

Architectural elevation drawing of a building facade. The drawing shows a central entrance with a door and a window above it. To the left of the door is a large window with a decorative frame. To the right of the door is a large window with a decorative frame. The drawing includes dimensions: 1950 for the height of the central section, 2150 for the height of the right section, and 1950 for the height of the left section. A north arrow is located on the left side of the drawing.

This technical drawing shows a cross-section of a mobile office unit. The unit has a curved roof and a base with a cross-hatched pattern. Inside, there are two chairs with high backs and a small table between them. On the left, there is a shelving unit with multiple levels. Labels with arrows point to specific components: '5' points to a circular feature on the upper right wall; '15' points to a horizontal structural element near the top left; '16' points to the lower part of the shelving unit; and '17' points to the upper part of the shelving unit.
